Dear Maniah Maniah

On behalf of the organizing committee of Information Systems International Conference (ISICO 2019), the department of Information Systems-ITS Surabaya, we are proud to announce that the fifth ISICO held in Surabaya, Indonesia, on July 23-24, 2019 was a huge success and would hereby like to take this opportunity to thank all participants, authors, speakers, reviewers, partners, and sponsors for your participation and contributions at our conference.

We do hope that the conference programs provided you an opportunity to share and publish your research, to learn what others in the field are doing, to develop your networks, and to lead to new opportunities for collaborative research, business or education programs.

As a part of our post-event services, we inform you that:

1. The production process of ISICO 2019 papers. The production process takes 8 - 10 weeks before the article is online. Author(s) may have received an acknowledgment letter from Elsevier containing a hyperlink to the Procedia exclusive license agreement transfer page during the second and third weeks and may have been requested to assign their license within 3 days of receiving the acknowledgment letter.
2. Conference Photos. You can enjoy and download ISICO photos at <https://tinyurl.com/2019isicophotosmaterial> You may also send your photos via email to ask@isico.info in order for us to have them uploaded for you.
3. Presentation files of the plenary sessions are available for you at <https://tinyurl.com/2019isicophotosmaterial>

Thank you again for being part of our conference and making the ISICO 2019 a reality. We look forward to working with you in ISICO 2021!

Yours sincerely,

Nur Aini Rakhmawati, S.Kom, M.Sc.Eng., Ph.D.
