Dear Maniah Maniah,

Our Editors-in-chief teams are currently processing the submission of camera-ready papers, and the result should be available to you before July 5. If you have any questions regarding this process, please do not hesitate to contact us at editor.isico@gmail.com

Please note that in order to publish the paper in the proceedings at least one author has to register and present the paper at the conference. For further information regarding registration procedures, you may visit the conference registration page (https://www.isico.info/registration-fees/). Please note that the deadline for registration is on July 6, 2019.

Besides, we will consider that the presenter is the one who registers for the conference. Two or more papers with the same corresponding authors should be presented by the same presenter so that the second and next additional papers will be charged based on the additional paper price. If the papers will be presented by different authors the second paper will be charged as full price. In addition, student fee is ONLY applicable for students who are FIRST author(s) of the paper(s). Please enclose a copy of student ID card or a letter from the student's institution with a college or university letterhead, stating that the student is pursuing a degree in the university (if your registration is "student rate").

Thank you for your participation in ISICO 2019 and we look forward to seeing you in Surabaya!

Best Regards,

ISICO Organizing Committee
